

# BALIKATANG PAK NA PAK PARA SA MGA BATANG I'WAK (Cooperation for the Young I'waks)

Helen Gemma R. Vallejos  
Philippines

*Peace beyond ethnicity...*

# RATIONALE

---

Development had taken a fast phase in the past decades and unfortunately some Indigenous Communities were not able to adapt to it. Consequently, some of these communities are either slowly vanishing or are left underdeveloped and are relatively unfortunate than most of us...

# RATIONALE

---

...and that is the case of the I'WAKS of  
Kayapa, Nueva Vizcaya, Philippines  
...and development to be true needs to  
be at the same phase in every sector  
and group, regardless of gender, race,  
etc...  
...ERGO, this project

# OBJECTIVES

---

- To engage cooperation across cultural groups
- To help the IP Community of the I'waks
- To give the young I'waks a great yuletide experience
- To educate them with some health practices
- To promote education for all... the best way possible
