# INTRODUCTION

“We make a living by what we get, but we make a life by what we give”

- Winston Churchill

# MISSION

This project is intended to raise awareness, promote and to help implement Environmental Stewardship, Peace, Pro-Life & Social Responsibility to the youth of this generation especially to those who are affected by the disasters specifically in the remote areas of Panay Island in the Philippines.

# IT AIMS TO

This project does not only intend to help calamity victims with monetary funds but it also let them to have a hands on experience on displaying their artistic skills as a mean of teaching themselves that they can start a livelihood program out of it. Finally, this activity also serves as a way of coping up mechanism.

# What is One Shirt, One Earth?

One Shirt, One Earth is a project campaign intended to exercise the generosity & the value of contentment among Paulinian students by donating painting materials & any of their old plain shirt of any color to the victims of the disaster. The collected shirts will be designed by the calamity survivors as an activity of moving away from their traumatic experience. After that it will be sold to the public & the amount gathered in the said project will be given to the community.
