

# An Outreach Program: Implementing Education for Sustainable Development as A Compulsory Syllabus in Higher Education in Malaysia

Lim Jye Min, Jyesmie  
Malaysia

Human Resources

## **Objectives:**

- To disseminate message of sustainable development to all students.
- Diverse group of ethnicities coming together learning about the current situation of our world and working together to make this world a better tomorrow for our future.
- To target a larger group of participants in developing and carrying out on going projects.
- A new approach of education as the model of teaching is something interactive and beneficial to the society.

# Brief introduction of Malaysia Education System in Higher Education

**“Think Globally, Act Locally”**

**How** : Surveys, Interview, Facebook Group, Proposals

**Who** : University Students

**Where** : Begin with some schools in USM (Social Science School, Humanity School...)

**Why** : Transforming Higher Education for Sustainable Tomorrow

**When** : Beginning of 2012 (Hopefully the ESD syllabus to be implemented in the new academic year of 2012/2013)

# Learning Model:

- Learn
- Reflect
- Empower
- Action

Larger group of participants, more projects...

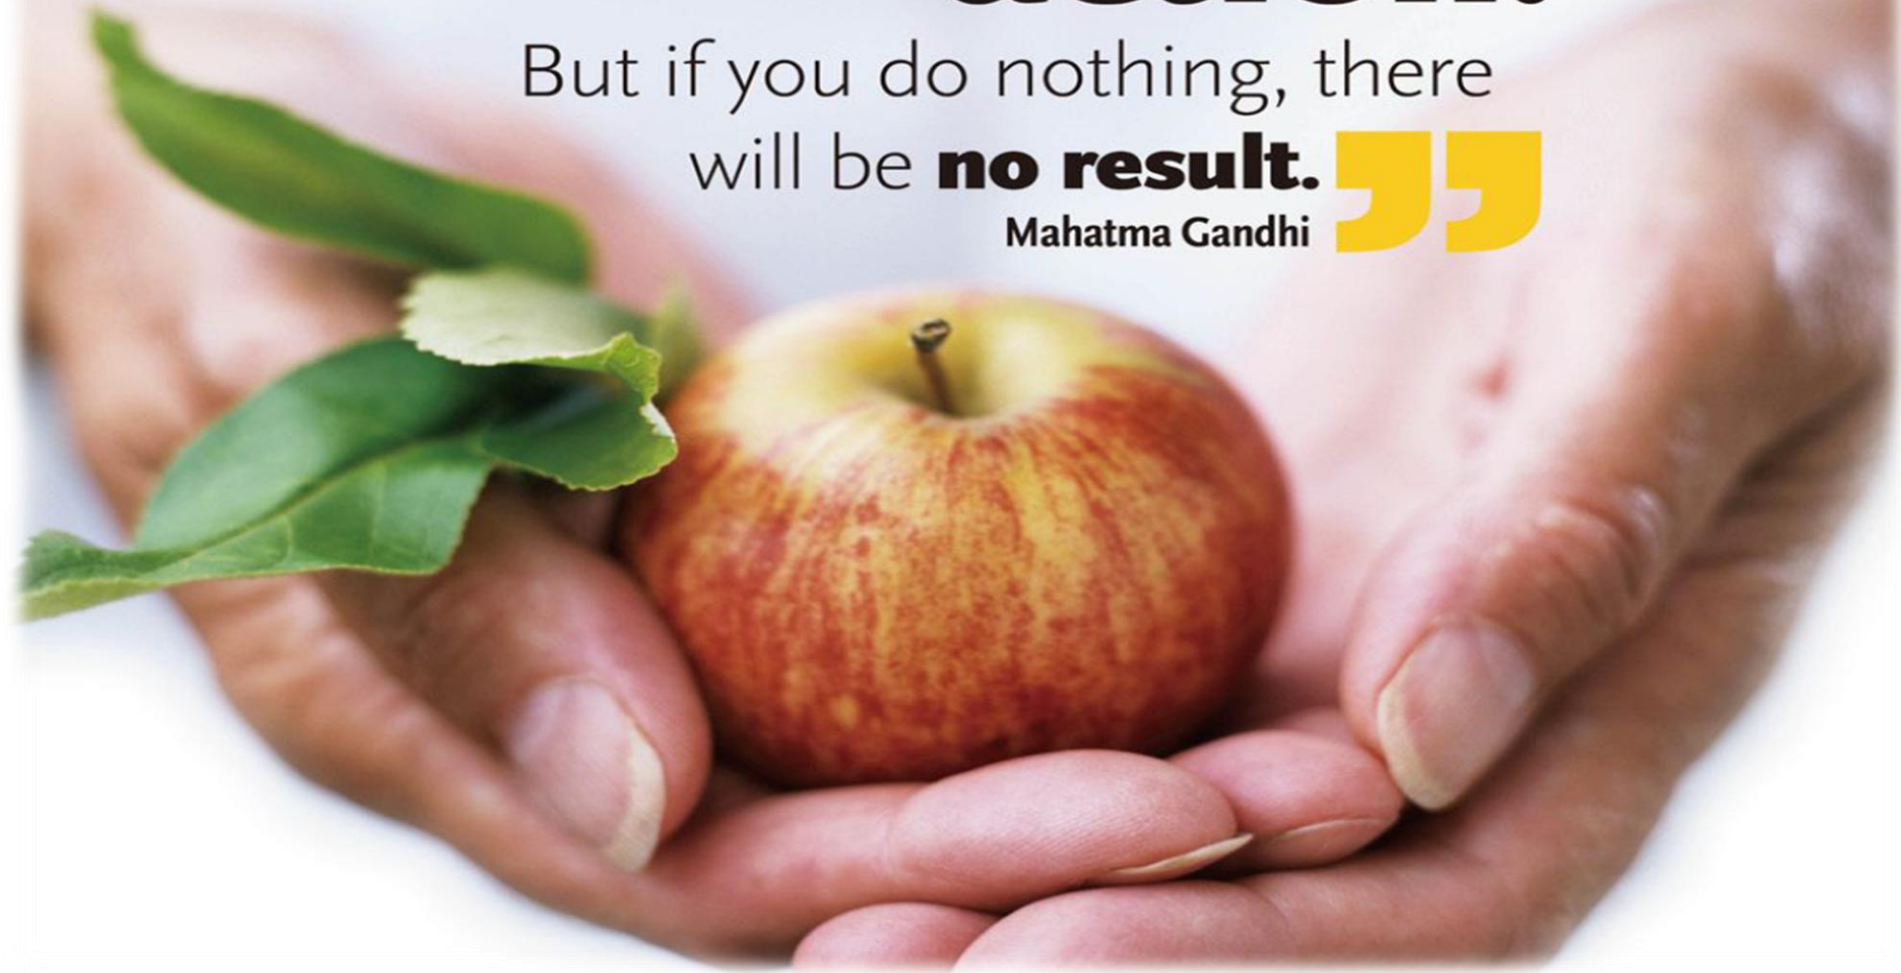

“ You may never know  
what **results**  
come from your **action.**

But if you do nothing, there  
will be **no result.**

Mahatma Gandhi
