Mr. Amir Syafiq B. Abd Aziz, (Malaysia)

(amirsyafiq_kl@yahoo.com)

Amir Syafiq B. Abd Aziz was born on 21 December, 1988 in the metropolitan city of Kuala Lumpur. Starting his preliminary school in Selangor and finishing his study in secondary school in the same state, he continued his Diploma in Quantitative Science at Mara University of Technology. Currently, he is in his final year of his Bachelors degree in System Engineering, and his thesis focuses on Human-Computer Interaction (one of the disciplines in IT).

He is very active in extra-curriculum activities at his university, and president of several clubs. He is also involved in community service activities, such as facilitating schools around Indonesia, and motivating students. During the YPA, he is preparing for action plans that can bring substantial contribution to the people in his community.
