# Promoting Peace through Financial Literacy

# Aira You Q. Lolo

#### **YPA14 Action Plan**

#### I. Problem Statement

In times of drastic change in the economy, we cannot deny the increasing rate of the needs and demands within our households and the society. Hence, the importance of financial literacy and knowing how to handle finances properly are seldom noticed, even its essence in promoting peace is often neglected, for how can you be at peace knowing there are a lot of dues to be paid, growing loans and expenses that we dont know how to handle properly? Thus, the purpose of this proposal. It aims to address this concern conservatively and to encourage the readers that proper understanding and handling finances is a key to promote financial stability and of peace.

#### II. Objectives

Specifically at the end of the one-day training the participants will be able to:

- 1. Impart practical knowledge on principles and strategies in proper handling of finances to promote peace;
- 2. Apply acquired knowledge in day-to-day basis and;
- 3. Develop a strategy on how to discipline self in terms of handling finances properly

#### III. Methodology of the Training

The training will consist of the following strategies:

- Lectures
- Interactive discussions
- Presentation of different methodologies
- Group Activities
- Sharing
