Inspired by **Cambodia UNESCO YPA**

Association, we decided to do the same and establish :

“INDONESIA YPAs”

- ➔ The main aim is for Alumni from UNESCO YPA Workshops and Conferences to network together and gather us to do our action plans under the same “roof”
- ➔ This club will helping us to stay connected with each other, doing discussions about our action plan and helping each other if there's some difficulties in either technical aspects or funding.
