Université Paris Est Créteil

ORGANIZING MEETING WITHIN THE UNIVERSITY

Master's degree of International Humanitarian Action and NGOs

- Students already involved in volunteering programs
- Students aware of issues related to peace

CAP'SO

**An already existing
association within the
master degree: No need to
create a new one**

OUR GOALS

Raise awareness of
peace issues among
a larger group of
students

Creation of an open space
where students can discuss
and express their ideas

CHANNEL VIOLENT BEHAVIOURS

- By giving a free space to express themselves and a way for students to find other ways to express themselves.
- By facilitating the dialogue between students and local policy makers (Mayor)

VOLUNTEER BASED PROJECT

- Free of charge meeting room provided by the university
- Events organized once a month
- Themes related to current events
- Free participation
- Participants can bring drinks and food

WEAKNESSES

- DIFFICULTIES IN GETTING OUTSIDE GUESTS
- PROJECT IMPLEMENTED DURING OUR LAST YEAR AT UNIVERSITY → NO GUARANTEE OF A LONG TERM PROJECT
- LACK OF DIVERSITY WITHIN THE PARTICIPANTS

AND STRENGTHS

- FREE SPACE WITHIN THE UNIVERSITY
- POTENTIAL HELP FROM OUR CLASSMATES
- PRE-EXISTING ORGANISATION
- STUDENTS IN GENERAL POLITICALLY INVOLVED
- LIMITED AUDIENCE IN TERMS OF AGE AND INTERESTS

EXPECTED OUTCOMES

- GET PARTICIPANTS TO COME BACK
- ACTIVE PARTICIPATION IN THE ORGANISATION OF MEETING (E.G. CHOOSE THE THEMES OF THE MEETING)
- THE USE OF THIS AVAILAIBLE SPACE WHEN POLITICAL TENSIONS OCCUR

**MERCI
BEAUCOUP**
