

Ms. Annisa Rahma Jefi (Indonesia)

(Email: ichajefi99@yahoo.com)

I'm from Indonesia 😊 and I am 17 years old. I was born on 18 March 1997. I live at Payakumbuh, West Sumatra. Now, I'm a student at the junior high school of Raudhatul Jannah. My organization is the Children's Forum of West Sumatera

I started to join community service when I was 11 years old, in the west Sumatran children forum payakumbuh. There I do social work, sharing, and more to all children. I'm still in my childhood, my hobbies are adventure, reading and writing. I like ice cream, candy and play. I want and I wish all children in the world can feel like I feel, and from 7 years ago I tried to share it for others 😊

I love children very much and like to help everyone more. Since I started, I hope I can do more to others who need help and make them feel better. I hope we can give everything for everyone who needs help. Please, contact me at [@nicha_jefi](https://www.instagram.com/nicha_jefi). Waiting for information from you and we can do more 😊
