I am an active student. I have participated in a group of fisheries. I wish to participate in an organization to be obtain a knowledge and experience in life, but also to be provide apply in public life. To be youth ambassador is my step to giving contribution in take action and join the international event such as Peace Ambassador in Nepal. Through youth ambassadors we can learn about the culture in many countries. In youth ambassadors we also can exchange ideas and provide solutions to the problems that occurred.

My friends and I have an action plan incorporated in Kresna Youth Peace Generation. Our action plan collaborate with “**Kresna Youth Peace Generation**” in Semarang, Central Java, Indonesia. Kresna Youth Peace Generation *with the mission of inspiring people to love and peace and create peace-loving youth generation to environment, social, and education. Our vision is to assist people by building a practical foundation and understanding of love and peace within individuals and society as a whole. Our programs further the awareness and application of unconditional love through education, environment, and social. Our intention is to explore a variety of creative activities and presentations that enhance unity and self-conscious expression while promoting love and respect to all aspects of life. In order of priority.*

Our Program is about Environment: **Save Shark from Hunting**. This Program to educate students to save sharks from illegal fishing, and it needs consumer demand for shark fins, and to avoid the extinction of sharks. The program is breeding shark and dissemination to coastal communities.
