I am an external relations director and university adjunct professor. Since 2014 , I enjoyed participating in a number of amazing International Youth Peace Ambassador (YPA) Conferences held annually in various countries namely: AUSN Arizona USA , Chulalongkorn University Thailand , Perbanas University Malaysia , Bandung Indonesia , MAAP Philippines and now in Istanbul Turkey this 2019.

I am interested in research on any topics particularly human rights, peace, sustainability , traditional practices, indigenous studies , maritime education and training (MET) trends, social justice, environmental management, coastal protection, safety of life at sea, community emergency preparedness, and mentorship. I was formerly a Chemistry, Physics and Math Professor for 15 years (FEU, UP Manila, PMMA and PWU Graduate School) ; Research Director of the Philippine Merchant Marine Academy for 2 years and pioneer MAAP Executive Dean and Director for Research & Extension Services for 15 years. I am currently the pioneer MAAP External Relations Director since 2014 to date and is responsible for external linkages.

A holder of six professional degrees (*Doctorate in Bioethics and Sustainability, Masters in Bioethics and Global Public Health, PhD in Educational Administration, Masters in Business Administration, Masters in Shipping Business Management , Master of Science in Chemistry and Bachelor of Science in Chemistry*) all earned with academic honors and thru scholarships/grant. With all these degrees are the responsibility that goes with them. I am a strong supporter of the noble advocacy of various organizations (AUSN, AAREF and RI) by serving as Honorary Professor, Visiting Professor & Senior Research Fellow both local and international in Australian Asian Research & Educational Foundation (AAREF); American University of Sovereign Nations (AUSN) Arizona USA & the Royal Institute of Singapore (RI) to name a few. I am also an active contributor and member of International Editorial Board for various academic journals in Australia (AUMII); China (Bit Conference); Poland (TRANNAV); Romania (JMET); Turkey (JEMS); USA (JAUSN) & UK (JKIE). I also serves as member of Board of non-profit organizations namely : AUSN, AMEA, WIMAPHIL. I am also Chairman/President Emeritus of the Philippine Association of Extension Program (Global PAEPI). I also serve as accreditor of various reputable accrediting agencies namely: PACUCOA, ALCUCOA, RQUAT , PAES-P and AUSN)

Being a member of the governing board and corps of faculty of AUSN, had widened my perspectives. I am interested in preparing and presenting papers on Bioethics from a maritime Bioethicist perspective to contribute in making life good and worth living for peace, progress and productivity. Thank you to **Prof Darryl Macer** in pro-actively spearheading activities for all concerned to jointly discuss , reflect and share respective insights applicable to respective institutions and countries, resulting to both professional , institutional and national growth.
