

Mr. Rajendra Adhikary (Nepal)

(rajaprasamsha@gmail.com)

I am a business man, author, social worker living in Nepal. I am working to promote the lifestyle of the country side people of Nepal. I'm 26 Years old. I am a Youth Peace Ambassador Trainee, and I've attended the Seventh International Youth Peace Ambassador Training Workshop, Nepal in January 2014.

I am a past International Director of Rotaract Club of Kathmandu, which is working for the social development. My passion is to change the concept of people and I want to establish the new definition of humanism in the world. This is why I became the member of Rotary international and jointly working with choice humanitarian (USA), which is working for the community.

With the help of different social organization I have organized many health camps, and constructed thousands of bio-gas projects, built hundreds of school and libraries, water projects in the remote areas of Nepal over one decade.

Regarding my personal hobbies I have Passion in social field. I have a dream that **each child should not be deprived of education and each citizen should not get untimely death**. I always follow my motto '***Helping hand Never Die***',
