

Mr. Rashif Arka Muhammad (Indonesia)

(rashifarka@gmail.com)

Currently I`m studying Geophysics in Universitas Gadjah Mada, Indonesia as an undergraduate student. I was born 21 years ago. I live in Yogyakarta, I like playing music, and travelling. I also have another affiliation as an amateur fire dancer. If you want to go to Indonesia especially Yogyakarta just send email to me rashifarka@gmail.com, or contact me on +6287734092888 I`ll be your free tour guide

I join this forum because I hope I can get a new breakthrough about disaster management/ mitigation especially for the better early warning system by having discussions and sharing experiences from this forum
