Schools *for Peace*

Strengths/Weaknesses

Strengths

- Internationally link schools together to work for peace
- Providing a platform for students of different nationalities and cultural backgrounds to communicate and work together

Weaknesses

- Massive project, may be subject to criticism
- Fear of lack of motivation from schools

Schools for Peace

Budget

- Student/school donations
- Funds from NGO's
- Funds from Federal Government
- Membership fees

Schools *for Peace*

Why me?

- Not sure yet about where I will go for university
- Experienced with dealing with large groups of people
- Have the connections with different people from around the world, through my 3 cultures

Schools *for Peace*

Next Step

- Partnership with Mayors for Peace to show that cities and their civilians are not targets
- Interactions with school boards to make peace education compulsory in schools.
