Statement of problem

- ⌘ Because of a long history of conflict between police and the people.
- ⌘ People do not trust the police.
- ⌘ How to build a strong relationship between police and people can be build?

Project summary

- ⌘ Gather people and police together in some public places, the places in which people usually gather to have fun and play.
- ⌘ Police will go to people in their casual clothes and they will mix with the people.
- ⌘ Every weekend for a period of two years we will hold a public function named “Weekends and the people”. And activities such as, sport, art, games, karaoke and discussions will be held in it.
- ⌘ At the end of these games and all these things in which we will mix people and police together, police will introduce themselves as a police friend to the people.
- ⌘ As an evaluation, a survey form will be given to the people and they will be asked that how their assumption toward police have been changed.

Purpose

- ⌘ This function aims to build a strong relationship between people and the police, especially young generation whom has the largest distance with the police.

OBJECTIVES

- ⌘ As expressive medium, public activities such as sport, art, karaoke and etc can makes the group mates closer to each other.
- ⌘ In artistic self-expression helps people to resolve conflicts and problems so it makes them more ready to building up a newer relationship.
- ⌘ People will understand about police more since they will see him as friend and then as a police.
- ⌘ People will discover about police feelings, emotions and humanistic aspects

Participation

- ⌘ Different types of people, especially youth, from different backgrounds, religions and mostly those who feel isolated in front of police and there used to be a conflict within them.
- ⌘ Vulnerable groups
- ⌘ Minorities
- ⌘ Foreigners

Result & Assumption

- ⌘ An evaluation form will be survey among participants to evaluate their assumption about police after the program.
- ⌘ Our assumption is a strong relationship between police and people will be built and people will feel that at least they have one police friend which makes them to feel safer afterwards.

Budget

- ⌘ It might RM1 million be needed for 2 years time.
- ⌘ RM 10,416 for each weekend.
- ⌘ The spending plan might be differ from program to program.
- ⌘ The budget will be provided by Malaysian Police since this project is related to their current concern.

Time line

- ⌘ It might started from 24th November 2012.
- ⌘ And the whole period of program would last for two years to see its effects.

Up to this date

⌘ This project is confirmed by the head police officer of Penang, and it now is on the table of Police headquarter in KL for confirmation.
